WARRANTY

We warrant Sparta Tools to be free of defects in workmanship and materials under normal use and service. Our obligation under this warranty is limited to replacing, without charge, any tool found to be defective, provided that such tool is promptly returned to our factory, transportation prepaid. We shall not be liable for direct, indirect, special or consequential damages arising from such defects or for replacing any tool which has been abused or misused.

THE ABOVE WARRANTY IS IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Built To Last The Ages!

... quality tools at fair prices!

The main criteria of any tool is—its dependability. Will it perform satisfactorily? The cost factor then enters into the picture. "Can I buy a quality tool at a reasonable price?", is the question most asked by consumers. SPARTA Hand Tools excel in both areas.

Why? There are many reasons. To mention only a few; SPARTA Hand Tools have extra built-in features: SOCKETS are "thin-walled" for working in restricted areas, yet strong—"chamfered", to slip on bolts easily. They are four-way ball grooved for quick, positive attachment to any drive tool.

RATCHETS and WRENCHES are forged, polished to a mirror finish and hardened for extra strength. Sets contain a complete and matched assortment of tools neatly packaged in reusable tool boxes for easy carrying and storage.

And SPARTA Hand Tools are backed by years of precision manufacturing experience for craftsmen to professional quality standards at prices designed to satisfy conservative buyers.
